

Prof. Dr. Nail Akhmediev

Adresse*	Australian National University Research School of Physics and Engineering Institute of Advanced Studies Optical Sciences Group ACTON 0200 Canberra
Fachgebiet	Physik
Spezialgebiet	Mathematical Physics, Optics, Nonlinear Phenomena, Extreme Events
persönliche Website	http://people.physics.anu.edu.au/~nna124/

Projekte

Extreme Ocean Gravity Waves: Understanding and Predicting Breathers with Wave Breaking and in Coastal Waters (extension)

Bewilligung: 30.06.2014

Extreme Ocean Gravity Waves: Analysis and Prediction on the Basis of Breather Solutions in Nonlinear Evolution Equations

Bewilligung: 03.02.2011
