

Prof. Yossi Paltiel

Adresse*	The Hebrew University of Jerusalem Center for Nano Science and Nano technology Applied Physics Department The Quantum Nano Engineering Laboratory Edmond J. Safra campus Givat Ram 91904 Jerusalem
Fachgebiet	Physik
Spezialgebiet	Applied Physics, Quantum devices, Engineering
persönliche Website	http://qnelab.weebly.com/

Projekte

Spintronic components based on chiral molecules - From single to multiple elements - (extension)

Bewilligung: 11.09.2017

Towards hybrid single-nanoparticle organic-molecule spin polarized electronic devices

Bewilligung: 13.01.2016

Spintronic components based on chiral molecules

Bewilligung: 31.03.2014

* letzte der Stiftung bekannte Adresse
