

Prof. Dr. Siegfried Glenzer

Adresse*	SLAC National Accelerator Laboratory Department for High Energy Density Science 2575 Sand Hill Road 94025 Menlo Park, CA
Fachgebiet	Physik
Spezialgebiet	
persönliche Website	http://simes.stanford.edu/investigator/siegfried-glenzer/

Projekte

Phase Transition Kinetics in Extreme States of Matter: A Novel Setup for in situ Diffraction at X-ray FELs

Bewilligung: 02.07.2015

Exploring Relativistic Laser Plasmas with Free-Electron-Lasers

Bewilligung: 16.06.2014

Exploring Extreme States of Matter by time-resolved X-ray Spectroscopy

Bewilligung: 07.07.2011
