

Prof. Dr. Alexandre Karpov

Adresse*	National University of Science and Technology Chair of Theoretical Physics and Quantum Technologies MISiS, office B 702 4, Leninskiy prosp. 119049 Moscow
Fachgebiet	Physik
Spezialgebiet	Superconductivity, Josephson junctions and arrays

Projekte

Phase sensitive imaging of microwave signal propagation in superconducting meta-materials

Bewilligung: 05.12.2019

Phase sensitive imaging of microwave signal propagation in superconductive circuits

Bewilligung: 28.02.2016

* letzte der Stiftung bekannte Adresse
