

Dr. Anita Etale

Adresse*	University of the Witwatersrand Global Change Institute 5th floor, University Corner Jorissen Street 2050 Johannesburg
Fachgebiet	Umweltwissenschaften
Spezialgebiet	Nanotechnology and Water Treatment
persönliche Website	http://https\\:wits.ac.za

Projekte

Senior Fellowship for Dr. Anita Etale "Tuning the Separation Properties of Thin-Film Nanocomposite Membranes by Polymeric Functionalisation of Graphene Oxide Nanosheets"

Bewilligung: 26.11.2020

NANO-NAMI: Nanotechnology Outreach to the Bekkersdal community

Bewilligung: 15.10.2019

Junior Fellowship for Dr. Anita Etale: Nanotechnology for the provision of safe water in mining communities

Bewilligung: 14.02.2017
