

Prof. Dr. Davronbek Matrasulov

Adresse*	Turin Polytechnic University in Tashkent Laboratory for Advanced Studies 17 Niyazov Street 100095 Tashkent
Fachgebiet	Physik
Spezialgebiet	Theoretical physics

Projekte

Summerschool "New Advances in Condensed Matter Physics: Quantum transport, topological effects and energy conversion in low-dimensional systems"

Bewilligung: 30.05.2017

Advanced Summer School and Symposium "Complex Nonlinear Systems: From Basic Science To Applications"

Bewilligung: 24.02.2013

Classical and quantum dynamics in interacting driven systems

Bewilligung: 16.08.2006
